

# BRANDON NEIL T. COOPER

Full-Stack Developer

Dear Sir/Madam,

Hello Hiring Manager, my name is Brandon Cooper I am a software engineer with over 8 years of experience with a wide variety of frameworks and technologies. My expertise includes: C++, PHP, Laravel,, NodeJS, React, Flutter, among others. There is simply too many to list them all, however you can checkout my portfolio and I would love to discuss more details of my experience and expertise over an interview

Most recently I have been specializing in commercial SaaS development for a variety of industries primarily using Laravel, NodeJS, React, Tailwind. I am part of a fast-paced and dynamic team I contribute mostly to back-end development and architectural planning, I have been serving as a Principal Software Engineer for some time.

I am always eager to expand and excel my career to the next-level. On a hunt for opportunities to better myself, learn more and advance my career. I am looking forward to hearing from you, how I can best serve your team.

Sincerely Yours

*Brandon Cooper*
